Pentair - Official Site Pentair delivers smart, sustainable solutions that empower our customers to make the most of life's essential resource. At Pentair, we believe the health of our world depends on reliable access to clean water. EasyTouch - Pentair Pool The EasyTouch PL4 system is designed for a single body of water, while the EasyTouch PSL4 system is designed to control a pool and spa combination. These systems work with the ScreenLogic2® Interface for full control via computer or mobile devices. Pentair EasyTouch Pool Automation Controls The Pentair EasyTouch system was designed for the typical backyard pool and spa that share the same set of equipment. The EasyTouch can control up to eight functions depending on your pool and spa needs. The four-function systems are usually used to control pool and/or spa operation plus pool or spa lights and heaters.
